

## FEEDBACK ACTION TAKEN REPORT 2022-23

Feedback serves as a powerful tool in the realm of education. It plays a vital role in shaping students' learning experiences and fostering their academic growth. Recognizing the importance of feedback and implementing effective feedback mechanisms can lead to enhance learning outcomes, improved performance and increased motivation among students. It is two way communications that provides students with valuable insights about the strength of the institution and areas for improvement. It serves as a guiding light, helping students navigate their educational journey with a greater clarity. It not only reinforces learning but also instills a sense of accountability and responsibility in students. It enables the students to take ownership of their progress.

Feedback regarding syllabus, lectures, teaching aids, available resources, library, sanitary unit, campus, canteen, grievances, sport facilities, Add-on courses, infrastructure, schemes, etc. was taken from Students, Teachers, Employers and Alumni by IQAC and feedback committee of the institution. The committee went through the details and forwarded the report to be discussed in management meeting .The members present in the meeting gave thought to the content of the report and put forward the same to administration for necessary action.
