#### Part B

#### **CURRICULAR ASPECTS**

#### 1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

The college strictly follows the curriculum prescribed by the affiliating University.

The institution ensures effective curriculum delivery through action plan for effective implementation of the curriculum. Institution monitors the implementation of action plan and curriculum by conducting faculty meetings.

- Institution motivates teachers to participate in curriculum design workshops.
- After framing syllabus, the University uploads it on its website. The copy of the syllabus is made available for the students in College Library.
- The syllabi of add on courses have been prepared by respective departments of the College.

Page 19/76 10-02-2024 02:04:07

- For the effective implementation of the curriculum and to improve teaching practices, teaching materials and books are made available by the University and College.
- For the effective curriculum delivery, Heads of the Departments conduct departmental meetings and distribution of work load is allotted to the faculty.
- The concerned teacher prepares semester wise 'Teaching Plan'.
- The committee chairman prepares the master time-table of all courses and communicates to the staff members and students.
- Academic Calendar is prepared in the beginning of every academic year asper the curriculum.
- The institute provides all necessary infrastructural facility to teaching staff.

#### 2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

The mechanism of identifying slow and advanced learners starts after the admissions. In introductory lectures, Question-Answer method helps the subject teachers to segregate the students into

Page 25/76 10-02-2024 02:04:07

slow and advanced learners. Teachers conduct bridge lectures. It helps to find out slow and advanced learners.

For slow learners following support activities are practiced:

- Subject teachers conduct extra practical sessions, lectures and revisions by keeping the students progress in mind.
- Teachers regularly interact with students and provide counseling to improve their performance in study.
- Guardian teacher talks with their parents to make the interaction more effective and result oriented through student teacher guardian Cell.
- Study material, question bank and home assignment are provided to the students.

For advanced learners following support activities are practiced:

- Central Library provides e-book facilities.
- The institute arranges expert guest lecturers to focus on learningopportunities.
- Students are motivated to participate in various activities such asworkshops/seminars, competitive examinations, research activities likeAvishkar etc.
- Teachers also motivate them to take admission in various Add on/CertificateCourses run by the college.
- Mentors motivate the students to watch subject related You tubevideos and guide to join SWAYAM Courses.

#### 2.3 - Teaching-Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

Efforts are made by the college to make the teaching learning process student-centric through -

Experiential Learning: Poster Presentation, Power Point Presentation, Essay and Book Review Competitions are arranged. Subject teachers provide educational videos, film shows, educational visits etc. Women Entrepreneur certificate course is the platform for experimental learning. Most of the practical courses, small projects avail experiential learning.

Participative learning: Students participated in extracurricular activities such as Essay writing, Group discussion, Tree plantation, Village adoption, and various academic activities. They participated in webinars and annual gathering. This avail them opportunity for extracurricular talent. Students in group are asked to prepare models, charts and Power Point Presentations. Participative learning is also provided to students through NSS and NCC. Students contribute in Padam Magazine by writing their articles and poems.

Problem Solving Methodology: Practical of various subjects of Science, Commerce and Languages develop logical thinking among the students. Some departments assigned Project work to the final year students to solve specific problems and develop their understanding of the processes of scientific and literary research within their particular discipline. Projects are assigned by the University to the final year students. Students formulated their own problem-solving methods while working on projects for Avishkar.

## 2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

The strategy of measuring attainment of POs, PSOs and COs is described below:

 The method of measuring attainment of POs, PSOs and COs of students include tests, tutorials, seminar presentation,

Page 32/76 10-02-2024 02:04:07

home assignments, viva-voce and projects.

- The progress of the students is continuously monitored by the subject teachers through the practical sessions which will also help to know the level of COs attainment.
- Students of the College are involved in curricular, cocurricular and extracurricular activities through their departments, NSS and different committees.
- Placements, self employment, entrepreneurship status and social initiative of the students show the result of COs and POs as stated by the institution.
- The Head of each department holds meetings of the faculty members to discuss result analysis and students feedback.
- College authorities discuss result analysis and student feedback with the HOD which helps to measure the attainment of COs.
- Students' progression to higher education is remarkable. After completion of degree students attend various on campus and off campus interviews and their successful placement shows attainment of COs and POs.
- The progress of the group of students is monitored by the mentor-teacher. The mentoring helps to decide COs attainment level.
